

CitiXsys Newsletter

May 2008

Greetings,

I am pleased to connect and share with you some exciting news.

Last month CitiXsys was featured by Dun & Bradstreet in a premier publication as one of India's Top IT Companies 2008. This month CitiXsys was selected as the SME Global Innovation Partner and is the recipient of the prestigious SAP Pinnacle Award 2008.

Attaining this award is a great milestone for CitiXsys and an honor to be recognized as an SAP partner that has made exemplary contributions to SAP's ecosystem.

SAP Pinnacle award winners are selected based on nominations received from partners and SAP employees and evaluated according to certain predefined criteria. This year, out of 127 nominees SAP chose CitiXsys along with 29 other award recipients for different categories. This demonstrates the confidence and trust Partners, Customers and SAP have in CitiXsys solutions and in acknowledgement, I would like to thank everyone for their continued support and contributions.

We hope to continue our efforts to deliver best-in-class innovative solutions that offer greater business performance and value for their investment.

Best Wishes,
Kamal Karmakar
CEO,
CitiXsys

InterCompany Solution

Are you worried about data and content sharing between your partner companies?

Are you looking to gain greater visibility across your operations and partner companies?

Searching for a solution that can improve control and collaboration?

Growing organizations that control more than one legal business entity are sometimes faced with the challenge of sharing data between partner companies. The need for homogeneous and harmonized standardized processes that can create visibility across partner companies and operations can become a daunting task for companies. A greater concern is the need to improve control and collaboration across all partner companies.

InterCompany Solution from CitiXsys helps address these needs and more. Designed to empower a company with critical financial insight, the InterCompany Solution integrates partner companies for both operational as well as power users. The InterCompany Solution makes business processes and transactions easy between partner companies. The solution allows the source company to distribute Marketing documents among the InterCompany Partners and thus saves time and increase efficiency by eliminating redundant data entry.

CORPORATE NEWS

CitiXsys awarded SAP Pinnacle Award 2008

CitiXsys is pleased to announce it has been awarded an SAP® Pinnacle Award as the SME Global Innovation Partner. Pinnacle Awards are granted to leading SAP partners that have excelled in enhancing the customer experience by teaming with SAP to help customers address critical issues such as accelerating innovation and improving return on investment. Winners were selected based on nominations received from partners and SAP employees. CitiXsys received the award at a special awards ceremony held on the eve of SAPHIRE® Vienna, SAP's international customer conference being held May 19 - 21.

"SAP is committed to extending the customer experience by orchestrating a unique ecosystem to foster co-innovation between SAP, customers, and partners," said Zia Yusuf, executive vice president, Global Ecosystem and Partner Group, SAP. "This year's SAP Pinnacle Awards recipients have demonstrated industry-focused excellence, innovative solutions and reliable services that address high priority business needs and deliver exceptional customer value. We thank CitiXsys for their dedication and passion to teaming with SAP to help redefine the customer experience." [«Read More»](#)

CitiXsys opens another office in Houston, Texas

CitiXsys has officially opened a new office in Houston, Texas. This new development demonstrates CitiXsys' long-term commitment to support its Strategic Global Sourcing initiative and the company's rapid growth rate. CitiXsys currently has 6 offices across North America located in New York, New Hampshire, Chicago, Houston and Toronto.
