### Greetings!

I am pleased to inform you that we have recently opened another office in Melbourne, Australia. This is the second office we are opening after the tremendous success of our operations and rising product demand in the region.

We are growing at a tremendous rate and this was validated further when Dun & Bradstreet acknowledged CitiXsys as one of "India's Top IT Companies 2008".

This achievement has only been possible with the constant support and feedback from our partners, customers and employees. So thank you all very much!

We look forward to serving you better and attaining greater heights with our products and services.

Happy Reading!

Best Wishes,

### CORPORATE NEWS

#### CITIXSYS FEATURED BY DUN & BRADSTREET AS ONE OF "INDIA'S TOP IT COMPANIES 2008"

CitiXsys is pleased to announce it has been selected as one of "India's Top IT Companies 2008". This certification is awarded to eminent IT companies in Corporate India who have emerged as leaders in their respective sectors. Dun and Bradstreet evaluated over 11,000 companies before selecting 210 to feature in this prestigious category.

The companies profiled in the publication accounted for about 50% of the Indian IT industry, in terms of revenue. However, there is a high concentration among the top five companies including listed and un-listed companies, which together accounted for 59% of the total income of companies featured in the publication, and around 29.8% of the total IT industry.

To view the names of companies listed visit: [http://www.dnb.co.in/TopIT\\_08/result.asp](http://www.dnb.co.in/TopIT_08/result.asp)

Dun & Bradstreet is recognized around the world as the leader in providing global business expertise and information to customers. D&B helps customers to interpret and utilize D&B's information and its own data, making D&B the preferred source for business expertise. D&B's global commercial database contains more than 100 million business records. The database is enhanced by D&B's proprietary DUNSRight® Quality Process, which transforms the enormous amount of data collected daily into decision-ready insight. Through the D&B Worldwide Network - an unrivaled alliance of D&B and leading business information providers around the world - customers gain access to the world's largest and highest quality global commercial business information database.
